A "qualified disabled person" means a person who can, with reasonable accommodation made by the County perform the essential functions of the position. Mahoning County shall take positive steps to insure that its testing and interviewing procedures do not in any fashion discriminate against disabled persons. Should any employment testing or interviews be conducted, no reference therein shall be made, directly or indirectly, to any disability. During any selection process Mahoning County reserves the right to select a tentative candidate or candidates, and then to require a physical examination to determine if the tentative candidate or candidates can perform the essential functions of the position. If it is determined that the candidate or candidates cannot perform the essential functions of the position, then a determination will be made by the Department as to what accommodations can be made, whether such accommodations are reasonable and whether such accommodations would impose an undue hardship upon the Department. If there is a question as to the ability of the employee or applicant to perform the essential duties; the County will refer the person to be evaluated by an Occupational Therapist at the County's cost. The determination of the Occupational Therapist will be followed.

Any medical or other information received by the Department will remain confidential, and will only be disseminated or disclosed to the appropriate supervisor and any safety or personnel employees as may be required.

Any employee who believes that he has been discriminated against may file an oral or written complaint in order to afford the Agency the opportunity to investigate the matter. The employee should be prepared to provide specific written instances of discrimination so that an investigation can occur. Employees may file the complaint alone in the interest of confidentiality; however, the complainant may have representation in the pursuit of this complaint.

Any incidents of discrimination shall be immediately reported, in confidence, to the supervisor, County Human Resources Director, Human Resources Manager, the Assistant Director, or the Director.

All reports of discrimination will be kept in confidence as much as possible during the investigation. Every effort will be made to promptly investigate all allegations of discrimination.

All complaints will be presented to the party to whom the charge of discrimination has been made for a response to the charges. This response will also be held in confidence as much as possible.

Any employee who is determined, after an investigation, to have engaged in discrimination in violation of this policy will be subject to disciplinary action, up to and including removal.

FAMILY VIOLENCE IN THE WORKPLACE POLICY**A. Purpose:**

Mahoning County is committed to promoting the health and safety of its employee. The purpose of this policy is to heighten awareness of family violence and to provide guidance for employee and management to address the occurrence of family violence and its effect in the workplace.

B. Definition

- Employee includes victim, batterer, or witness to family violence in the workplace
- Family violence refers to international intimidation, physical and/or sexual violence, neglect, or financial abuse perpetrated by a family member.

- Types of family violence: Child abuse, intimate partner abuse, including teen dating violence and youth violence, and elder abuse
- Family violence occurs among people of all racial, economic, educational, religious backgrounds as well as in heterosexual and same sex relationships.
- Family violence is preventable.

C. Policy:**Intervention and Education Prevention Strategies**

It is the policy of Mahoning County to use early prevention strategies in order to avoid or minimize the occurrence and effects of family violence in the workplace. Mahoning County will provide available support and assistance to any employee who is a victim, batterer, and/or witness of family violence including:

- Confidential means for coming forward for help
- Confidentiality
- Resource and referral information
- Additional security at the workplace, if possible
- Work schedule adjustments or leave necessary to obtain medical assistance, counseling, or legal assistance
- Workplace relocation, if possible.

1. Leave Options for the Employee who Experiences Threats of Violence

- At times, an employee may need to be absent from work due to family violence. The length of time should be determined by the individual's situation and through collaboration with employee, supervisor, Human Resources Director, etc as determined by Mahoning County.
- Each employee, (victim, batterer/or witness) supervisors, and managers are encouraged to first explore whether paid options can be arranged which will help the employee cope with a family violence situation without having to take a formal unpaid

leave of absence. Depending on the circumstance, this may include:

---arranging flexible work hours, if possible, so that the employee can handle legal matters, court appearances, housing and childcare

---consider use of accrued time as it applies to agency Attendance Policies, especially if requests are for relatively short periods

2. Procedures for the Employee with Performance Issues Related to Family Violence

- While the employer retains the right to discipline the employee for cause, Mahoning County recognizes that victims of family violence may have performance or conduct problems such as chronic absenteeism or inability to concentrate as a result of the violence. When an employee subject to discipline confides that the job performance or conduct problem is caused by family violence, a referral for appropriate assistance should be offered to the employee.
- The manager, in collaboration with the employee, Employee Assistance counselor, Human Resource representative, etc should allow a reasonable amount of time for the employee to obtain assistance regarding the family violence. When victims are involved, supervisors should be mindful that the effects of family violence can be severe and may take extended periods of time to address fully. Victim rights and confidentiality shall always be respected.

3. Disciplinary Procedures for the Employee who Commits Acts or Threats of Family Violence

- Mahoning County is committed to providing a workplace in which the perpetration of family violence is neither tolerated nor excused. Any physical assault or threat made by an employee while on Mahoning County premises, during working hours, or at a Mahoning County sponsored social event is a serious violation of Mahoning County policy. This policy applies not only to acts against another employee, but to acts against all other persons, including intimate partners. The employee found to have violated this policy will be subject to corrective or disciplinary action, up to and including discharge.
- The employee convicted of a crime as a result of family violence may be subject to corrective or disciplinary action, up to and including discharge, when such action affects the work performance of the employee or affects the normal operations of Mahoning County.

 4. A new hire that resigns during a probationary period is not eligible for re-employment.

B. Unclassified employees serve at the pleasure of the appointing authority.

C. Assignment

1. Classification Placement

- a. Jobs are grouped into classifications on the basis of similar duties and qualification requirements. Compensation is determined, in part, by the job classification.
- b. The duties and responsibilities of each job will be periodically reviewed and adjusted. When the job duties have changed significantly, the employee or his/her supervisor may request that their Appointing Authority have the position audited by the County Human Resources Department or otherwise as provided under Ohio Revised Code 124. As a result of an audit, a revised job may be moved to another classification. A job audit may not be requested for a period of one (1) year from the date of the results of the last audit, unless the job duties are substantially altered. Generally, there must be a 20% change in the essential job functions to create a reclassification.

2. Promotion

- a. Only an employee who has successfully completed a probationary period in his/her current position may be considered for a promotion to a higher classification.

- a. An employee is considered to have been transferred when he/she is given a different assignment within the same classification.
- b. An employee who has successfully completed the probationary period in his/her current position may request transfer to a vacancy within the same classification by contacting the Appointing Authority.

- e. The needs of the County take precedence over the wishes of an employee.

4. Voluntary Demotion

- a. When an employee with a qualifying disability becomes unable to perform the essential functions of his/her position, with or without reasonable accommodation, but can perform the essential functions of a position in a lower classification, with or without reasonable accommodation, he/she may request in writing a reduction to the lower position. This reduction will result in acceptance of the pay for the lower position.

7. Assignment of Relatives

The Board of County Commissioners will receive employment applications from relatives of employees. There are four (4) situations, which would prevent the hiring a relative of a current employee:

- a. If one relative would supervise or have disciplinary authority over another.
- b. If one relative would audit the work of another.
- c. If the interest of both the relative and the employee, or the relative and the County would be in conflict.
- d. If the hiring of relatives could result in a conflict of interest with clients.

An employee is not permitted to work in a position where his or her supervisor, or a supervisor's supervisor, is a relative. A relative includes a father, mother, brother, sister, husband, wife, son, daughter, grandfather, grandmother, grandson, or granddaughter or any step relatives sharing the same relationship as a blood relative.

If such a situation is created through promotion, transfer or marriage, one of the affected employees must be transferred or terminated, or an accommodation acceptable to the County must be worked out. Termination is to be a last resort. No employee who meets current standards of performance and behavior shall be terminated if a transfer is possible.

If two employees marry, they will be subject to the same situations described above, unless state law or judicial decisions dictate otherwise.

No currently married employee(s) will be transferred as a result of the adoption of this policy.

State law requires that all employees contribute to the Public Employees Retirement System (PERS) unless they are participating in another public retirement system. Generally, the County contributes 13.55% of the employee's gross pay to the PERS fund. The stated percentage may change at the direction of the PERS Board of Directors. The County also pays the employee's contribution of 8.5% of gross pay for a total benefit of 22.05% deposited toward retirement for certain departments. A. Non-Exempt Employees

Non-exempt employees are those employees who hold positions that are not administrative, professional or executive as defined by the Fair Labor Standards Act.

3. For overtime calculation, time on active status but not actually worked (sick leave, vacation leave, comp. time, and personal leave) is not considered time worked.
4. Scheduled overtime, which is subsequently canceled and not worked, will not entitle the employee to any overtime compensation. Only overtime actually worked is compensable.
5. Overtime compensation may be taken in the form of pay or compensatory time as outlined below:
 - a. Compensatory time will be calculated at the same rate as overtime pay. The following regulations apply to those choosing compensatory time:
 1. An employee must tell the supervisor at the time overtime is worked whether he/she wishes compensation in the form of wages or compensatory time. Failure to request compensatory time will result in overtime compensation in the form of wages.

 - c. Overtime compensation shall be based upon the employee's regular rate of pay.

7. When attendance at meetings, conferences and training sessions is required by the Appointing Authority, time in transit and time actually spent in meeting sessions will be considered time worked for calculating overtime. Meal breaks will be counted as time worked only when the meal is an integral part of a required meeting. Travel or meeting time is not considered time worked if attendance at the meeting or class is not required.
8. Employees regularly scheduled less than forty (40) hours per week, and part-time employees will not receive overtime compensation for hours worked more than their regularly scheduled hours until the total hours worked in a work week exceed forty (40) hours.

B. Exempt Employees

Executive, administrative, and professional employees are exempt from overtime compensation. Exempt employees may be granted compensatory time on time and one half basis with the approval of the Appointing Authority. As in any other overtime situation, the time must be approved in advance. The Director or their designee shall keep time in the department. Time will be reported to the Auditor as part of GAAP reporting each year.

Employees who travel on behalf of Mahoning County are expected to use good judgement and to make related expenditures in a prudent manner. Every effort should be made to take advantage of early registration and advanced purchase discounts. The method and class of travel selected shall be that which is in the best interest of the County. To facilitate the accuracy and consistency in administering the travel process, each Department head is encouraged to designate an employee as the primary contact for travel arrangements and reimbursements.

A blanket request may be submitted for approval to attend multiple scheduled association meetings throughout each calendar year. This approval by the Board of County Commissioners is required, in addition to proper authorization required by an individual appointing authority and/or department head. The County Administrator and/or a commissioner may temporarily authorize emergency travel. The Board must approve subsequent travel.

D. Travel Allowances

Travel by air, bus, or by other common carrier will be commensurate with normal travel rates. Air travel should be coach, and not first class. Ohio Revised Code does not allow for the pre-payment of any travel expenses. As an alternative to common carriers (air, bus), private vehicles may be used. Mileage allowances will only be paid to one (1) of two (2) employees traveling in the same vehicle on the same trip. Mileage should be reported in a timely manner.

E. Lodging and Meals

Lodging expenses are reimbursable. Employees are expected to use good judgment in obtaining room rates, which reflect the proper use of public funds.

The total meal allowable under normal conditions is thirty-five dollars (\$35.00) per day. Travel to larger cities (e.g. Columbus, Chicago, Washington DC, etc.) may require a higher per diem for meals. The Appointing Authority or the Authorized Designee (a copy of the Authorized Designee must be on file with the Auditor) must approve a higher per diem for meals.

F. Mileage

Mileage reimbursement will be based on the prevailing State Auditor rate of thirty-one cents (31¢) per mile for all personal vehicles. No prior authorization is necessary for mileage in the normal pursuit of business or for meetings.

G. Registration

Registration fees for seminars, conventions, etc. are reimbursable and may be submitted for prepayment prior to travel. In such circumstances, the Appointing Authority and/or Administrative Head bears the responsibility for ensuring that if the employee does not attend, they will apply for a refund and/or credit.

H. Dinner Meetings

Expenses incurred by employees when attending or holding luncheon or dinner meetings necessary to the performance of their official duties are reimbursable, provided that prior approval has been received. These meetings do not fall under the aforementioned per diem, and should be requested for payment with a statement as to the general purpose of said meeting.

I. License, Insurance, and Vehicle Requirements

Employees who are authorized or required to operate a County-owned vehicle, or a privately owned vehicle on authorized County business, must have a valid driver's license or, if required by the employer, a valid Ohio Commercial driver's license. Employees must provide proof of such driving privileges upon request of the immediate supervisor or department head. Any employee who has such license or driving privileges suspended, revoked, or altered in any manner must immediately notify his/her Department head in writing, stating the nature, length, and alteration.

Employees who are authorized or required to operate a privately owned vehicle on authorized County business must ensure that such vehicle is properly insured and provide proof of such insurance upon request of the immediate supervisor or department head. The employee or owner of the vehicle must have insurance in compliance with Section 4509 (Uninsured Motorist Act) of the Ohio Revised Code. Any changes in insurance status (e.g. lapse, revocation, alteration, change of carrier, etc.) must be reported in writing by the employee to the Department head or designee prior to any reimbursable travel.

J. Traveling with Non-Employees

When an employee travels on County business pursuant to the provisions above, a non-employee(s) may accompany the employee. The non-employee must pay all expenses of the non-employee(s) for food, transportation, etc. When lodging expenses are necessary, the non-employee must pay any additional lodging costs above the single occupancy rate.

Employees of other political subdivisions may ride together in a County vehicle to a meeting on issues impacting County government.

K. Extension

When an employee travels under the provisions of this policy, the employee may extend such travel at the beginning and/or ending of County business, provided such extension does not result in additional expense to the County.

L. Reimbursements

Requests for reimbursement of travel expenses shall be documented and accompanied by appropriate Journal Entry and receipts for the travel expenses claimed.

Reimbursements shall not be made without the signature of the approving official and submission of evidentiary material acceptable to the approving official.

M. Form Processing

These forms are to be submitted to the Accounts Payable Department for priority reimbursement in conjunction with the Auditor's Department.

INSURANCE

A. Health Insurance

1. Employees regularly scheduled and working thirty-two (32) or more hours during a workweek are eligible for health and life insurance under the policies chosen by the Mahoning County Board of Commissioners for County employees.
2. New employees are eligible to enroll in the insurance program the first of the month following completion of thirty (30) days of employment. Current employees who are not enrolled may elect participation during open enrollment periods or at any point during the year provided there is a qualifying event allowing the election of coverage.
3. An employee who is eligible for hospitalization coverage may not be simultaneously covered through an employee spouse's insurance program through the County. Selection for the covered employee will be by the birthday rule.
4. All County employees participating in the health care plan are required to contribute 10% of the insurance premium based on the plan they elect. This contribution will be deducted bi-monthly.
5. An employee may elect to "opt out" of the County's health care plan. The employee is eligible to receive \$100.00 per month, minus taxes, to be paid bi-weekly. Proof of other insurance must be submitted to the Benefits Department.
6. Details of coverage are outlined in the health-care plan booklet.
7. Part-time, temporary, intermittent, and seasonal employees are not eligible for health-care coverage
8. Employees are responsible for notifying the Mahoning County Benefits Coordinator of any change in status including marital status, dependent status or residence. Failure to do so may result in the employee being personally liable for any unnecessary costs incurred by the County.

B. Life Insurance

The County provides a fully paid ten thousand dollar (\$10,000.00), term life insurance policy pursuant to the terms and conditions set forth in the summary of benefits (copy attached) on each full-time employee except for those set forth differently in an applicable labor agreement. However, pursuant to the terms of the policy, benefits will be reduced to 65% of the original amount at age 65 and further reduced to 50% of the original amount at age 70 and further reduced to 30% at age 75.

PUBLIC EMPLOYEES RETIREMENT SYSTEM (PERS)

WORKERS' COMPENSATION

State law provides that every County employee is eligible for Workers' Compensation for injuries arising out of or in the course of his/her employment.

1. Should an employee be involved in an incident and/or injury during the course of employment with the County, he/she is to notify their supervisor and Appointing Authority on the day of the injury. The employee must complete an incident form. If the employee is unable to complete an injury form his/her supervisor is to complete it. This report must be completed, regardless of the apparent seriousness of the injury, and regardless of whether or not medical attention is required. Such report must be forwarded to the Appointing Authority or designee within forty-eight (48) hours of the incident. The form is then forwarded to the County's Risk Manager for processing. Employee shall provide notice within 24 hours or by the next scheduled work shift unless the following:
 - a. The employee will be on a previously approved leave then the requirement is 24 hours; or
 - b. The next scheduled work is more than 24 hours from date of injury, the requirement is 24 hours.
2. In the event of serious injury, the injured employee's supervisor is to notify the Appointing Authority immediately so that an investigation may be initiated.
3. The employee is responsible for providing the Appointing Authority with his/her expected date of return in writing as soon as it is known, and keeping the employer apprised of his/her condition.
4. An employee who is injured in the line of duty and must leave work before completing the workday will be paid at his/her regular rate for the balance of time left in the scheduled workday. Injured employees are required to comply with all treatment plans of the attending physicians and cooperate fully in returning to work as soon as possible. Failure to cooperate may result in disciplinary action or discharge.
5. An injured employee may elect to use accrued sick leave and vacation leave prior to receiving payments from Workers' Compensation. Employees are prohibited, however, from receiving payment for sick leave while simultaneously receiving payment from Workers' Compensation.
6. Certification of all claims will be handled through the Risk Management Department.

INJURED ON DUTY LEAVE

- A. Policy Statement
It is the policy of the Board of Mahoning County Commissioners to provide employee with Injured On-Duty Leave when injured in the course and scope of employment.
- B. When an employee is injured in the course and scope of employment and is off more than seven (7) days as a result of the injury, the employee shall be eligible for Injured On-Duty Leave. The employee shall be paid for all days immediately following the date of injury until ninety (90) calendar days after the injury. There shall be no loss of benefits provided by the County or any applicable labor agreement during the leave.
- C. To be eligible, the employee, when injured must:
Submit a signed incident report detailing the nature of the injury, the date of occurrence, the identity of all witnesses and persons involved, the facts surrounding the injury, and any other information supporting the granting of Injured On-Duty Leave;
 - 1. File for Worker's Compensation benefits with the Ohio Bureau of Worker's Compensation;
 - 2. Furnish the County with a signed medical authorization for the claimed injury for the release of medical records;
 - 3. Complete and sign a Request for Injured on Duty Leave form;
 - 4. Suffer lost time from employment for a period exceeding seven (7) consecutive days; and,
 - 5. Submit medical certification from the employee's physician of record specifying the extent of the injury, the recommended treatment, the employee's inability to return to work as a result of the injury, and an estimated date of return.
- D. The County reserves the right to review the employee's status every thirty (30) calendar days and require the employee to have an independent medical examination by a physician selected and paid for by the County at any time during the leave.
- E. Leave will be paid at the employee's current hourly rate at the time of injury for a period not to exceed ninety (90) calendar days.
- F. If, for any reason, the employee's Workers' Compensation claim is denied or disallowed, said leave shall cease and the employee will be required to reimburse the County for any amounts paid through this section. The rate and method for reimbursement will be determined by the department head on a case-by-case basis.
- G. If the employee is not released by their physician at the end of the Injured On-Duty Leave, the employee will be placed on FMLA leave for a period not to exceed twelve (12) weeks.
- H. If the employee is unable to return to work or unwilling to return to work, the County, in conjunction with the Appointing Authority, will begin proceedings for Involuntary Disability Separation or Voluntary Disability Separation pursuant to County policy and Ohio Administrative Code.
- I. If at any time subsequent to the occupational injury the employee is released to return to work with restrictions, the employee must petition to Return to Work with Modified Duty through the County's Risk Manager. The Risk Manager will work with the employee, the union representative (if applicable), the rehabilitation vendor, the Department Head (or designee), and the Bureau of Workers' Compensation to establish the assignment. In no case will modified duty exceed

thirty (30) days. Any case that needs to extend beyond 30 days, for up to two (2) additional weeks, will be reviewed by the Risk Manager and a decision in concert with the Department Head will be final. The period will be transitional in that it will provide evidence of the employee's ability to perform job functions that have been established under the review of the employee's physician of record. In using this program, it is the expectation that at the end of the 30 days, the employee will be able to return to work without restrictions. Employees refusing to participate in the Bureau of Workers' Compensation Vocational Rehabilitation Program may be deemed ineligible to participate in this program.

TRANSITIONAL WORK PROGRAM

A. Scope

This program will be used to direct the work of all injured employees.

B. Policy

1. Any time that an employee presents the employer with a medical return to work notice that indicates the employee can return to work under restricted function, commonly known as light duty, the return to work notice will be immediately referred to the Mahoning County Risk Manager.
2. The County Risk Manager will correspond with the medical provider issuing the notice to determine the employee's limits as far as the essential functions of the transitional work that may be assigned to the employee.
3. The Department head or designee, along with the Risk Manager, will determine if the employee is eligible for assignment to the Transitional Work Program.
4. The Department head or designee will assign the employee requesting and approved for transitional work to an assignment for a period not to exceed ninety (90) calendar days. The assignment of the employee will not cause the displacement of any other employee from any bid position. The transitional work assignments will fall outside of the bidding processes in the C.B.A. and will be discretionary assignments by the Department Head. The transitional work assignments will not be permanent jobs and will not be construed as new jobs created for vacancy bidding.
5. At the end of ninety (90) calendar days, the County Risk Manager, the Department head, and if applicable, the employee's medical provider, will make a decision as to the employee's availability to return to his/her regular assignment. It will be the expectation of the County and the Department Head that most employees will make the transition into their regular assignment within the ninety (90) calendar days.
6. If an employee is unable to make transition back to regular assignments within the ninety (90) calendar day limit, the Department Head will consult with the Risk Manager, Human Resources Director and the Administrative Staff, to place the employee on sick leave, unpaid leave, FMLA, or initiate disability separation proceedings.
7. Employees suffering a work related injury may not refuse to participate in the Bureau of Workers' Compensation Vocational Rehabilitation Program and be eligible for the Transitional Work Program.

VACATION

- A. All full-time employees and part-time employees receive vacation benefits as shown on the chart below. Vacation is prorated for part-time employees in proportion to the regularly scheduled hours of work. Vacation accrues only during regularly scheduled work hours, and not on overtime hours.

<i>Years of Service</i>	<i>Vacation Days</i>	<i>Hours Accrued per 80 Hours Worked</i>
Less than 1 year	None	none
1 year to 8 years*	10 workdays	3.1
8 years to 15 years*	15 workdays	4.6
15 years to 25 years*	20 workdays	6.2
25 years* +	25 workdays	7.7

**On the 8th, 15th, and 25th anniversary of employment, an employee is credited with one (1) additional week of vacation. Vacation begins to accrue at the higher rate after the 8th, 15th, and 25th anniversary dates.*

- B. For the purpose of determining length of service for part-time employees, credit will be given on the basis of pay periods worked, not on the basis of full-time equivalent service. For the purpose of determining length of service for intermittent employees, credit will be given on the basis of actual hours worked.
- C. All prior service with any political subdivision of the State shall be used to determine years of service for vacation accrued, pursuant to Section 9.44 ORC and any amendments thereto.
- D. After one (1) full year of service with Mahoning County, an employee will be credited with vacation earned during the first year of employment. New employees with no prior service are eligible for paid vacation only after one (1) full year of employment. If a new employee with no prior service credit terminates employment before serving one (1) full year of employment, he/she will receive no vacation pay out.
- E. Employees will be encouraged to schedule a minimum of one forty (40) hour block of time during each calendar year. At least forty (40) hours vacation leave must be scheduled and taken by each employee every year. This time may be scheduled at any time but must be taken within the one (1) year period after the individual employee's anniversary date. At no time will vacation accrued be allowed beyond one-year's accrual without formal written approval of the Appointing Authority. Vacation requests of less than one (1) week duration must be received at least twenty-four (24) hours in advance. In cases of emergencies, reasonable notice is required and supervisors will be expected to approve vacation leave in less than one (1) day increments. The employees must take vacation leave within thirty-six (36) months of the date of accrual. No additional vacation credits will accrue to an employee who has three (3) years of unused vacation credit. Accrual will resume once the employee begins to use the accrued vacation. In special and meritorious cases with written approval from the Appointing Authority obtained prior to accrual beyond the three (3) year limit, an employee may accrue additional vacation credit. Under no circumstances will an employee be eligible to accumulate more than three (3) years accrual of vacation credit plus the current year's accrual. The County Auditor must be notified immediately of any employee qualifying for this exception.
- F. Vacation leave requests must be submitted in writing to the employee's immediate supervisor for approval.
- G. When two or more employees request the same vacation date and all requests cannot be granted, the request will be approved/denied at the discretion of the

Department Director or Appointing Authority. Leaves requested less than one (1) month in advance will be granted in the order received. Once an employee has received approval for vacation leave, a more senior employee may not displace him.

- H. Vacation leave may be denied during a specific period, if the workload dictates.
- I. While on vacation, if an employee is disabled due to illness or experiences a death in the family that would qualify for paid sick leave, he/she may request time off charged to sick leave by showing documented proof of eligibility.
- J. All seasonal, intermittent, and temporary employees appointed for 120 days or less will not receive vacation accrual. If an employee is retained after the 120 days and the employee has one (1) full year of service, they will receive the accrual back to the date of hire.
- K. A vacation day will not be granted on call-in, except in extenuating circumstances that will be determined by the supervisor. In all such instances, the vacation day must have been accrued.

HOLIDAYS

- A. All full-time employees receive the following paid holidays:

New Year's Day	Columbus Day
Martin Luther King, Jr. Day	Veteran's Day
President's Day	Memorial Day
Thanksgiving Day	Independence Day
Labor Day	Christmas Day

Collective bargaining agreements may differ from this list. Please consult the applicable collective bargaining agreement.

- B. If a full-time employee is required to work on a holiday, he/she will be paid at one and one-half (1-1/2) times his/her regular rate of pay for every hour worked, in addition to his/her regular holiday pay.
- C. If a holiday falls on Sunday, it is observed on the following Monday. If a holiday falls on a Saturday, it is observed on the preceding Friday. Twenty-four (24) hour operation employees observe the holiday on the day it falls only.
- D. Only employees who work their regularly scheduled day before and after the holiday will receive holiday pay. An employee who is not on active pay status their regularly scheduled day before a holiday or their regularly scheduled day after a holiday will not receive holiday pay. Pay will be issued if a doctor's excuse is presented within the pay period the holiday falls in.
- E. Seasonal and intermittent employees are not eligible for holiday pay. Part-time (less than 37 hours per week) and temporary employees are entitled to holiday pay for their normal hours scheduled for that day.
- F. Some collective bargaining agreements have different holidays, please review the agreement associated with your department.

SICK LEAVE

- A. Generally employees accrue sick leave at four and six-tenths (4.6) hours for each eighty (80) hours of completed service. Sick leave is earned only when an employee is on active pay status, (i.e. for only those days for which the employee is actually paid). The amount of sick leave an employee may accrue is unlimited.
- B. An employee who transfers from another public agency to Mahoning County, or who is re-appointed or reinstated, is credited with the unused balance of his/her accumulated sick leave provided the time between separation and reappointment does not exceed ten (10) years. "Public agency," as used above, includes the State, counties, municipalities, boards of education, public libraries, for public levy and townships within the State of Ohio. Documentation of employee transfers must be submitted to the County Auditor's office.
- C. Sick leave must be requested on the approved sick leave form as soon as the employee returns to work. When an employee will be on extended sick leave, he/she should notify the supervisor of his/her probable return date.
- D. An employee who is absent three (3) or more days consecutively shall be required to present a physician's statement to verify the illness. An employee who is on extended sick leave under a physician's care may be required to submit a weekly statement from the physician stating the status of the illness/injury. Upon return to work, the employee must furnish a statement from the physician certifying his/her ability to perform the job duties.
- E. Appointing Authority has the right and responsibility to investigate all reasons for an employee's absence.
- F. If an illness or disability continues beyond the time covered by earned sick leave, an employee may use earned vacation leave and compensatory time, or may request an unpaid Leave of Absence.
- G. An employee fraudulently obtaining sick leave or falsifying sick leave records is subject to disciplinary action up to and including termination.
- H. Sick leave may be used for:
 - 1. Illness or injury of the employee or illness or injury of a member of the employee's immediate family, where the presence of the employee is reasonably necessary;
 - 2. Exposure of employee to a contagious disease that would have the potential of jeopardizing the health of the employee or the health of others;

 - 5. Pregnancy related condition of the employee or a member of the employee's immediate family; or,
 - 6. Care of employee's wife or family during the post-natal period, the leave not to exceed five (5) workdays.
- I. "Immediate family" is defined as mother, father, brother, sister, child, spouse, grandparent, grandchild, mother-in-law, father-in-law, sister-in-law, brother-in-law,

daughter-in-law, son-in-law, legal guardian or other person who stands in the place of a parent.

- J. Sick leave is charged in minimum units as established by the Appointing Authority.
- K. An employee absent on sick leave is paid at his/her regular hourly or bi-weekly rate.
- L. An employee who retires from service with the County, or dies, after completion of ten (10) or more years of service with the state or any political subdivision of the state is entitled to convert a portion of his/her accrued but unused sick leave into a cash payment at the time of retirement. For purposes of this policy, the conversion is at 25% of the total accumulation not to exceed a payout of 240 hours or 30 days.
- M. The Appointing Authority reserves the right to review the credentials of any medical or psychological provider.
- N. Any employee is expected to report for any fitness for duty exam either medical or psychological. No sick leave will be charged for this purpose.
- O. A Supervisor who has any questions as to the validity of the use of sick leave shall investigate the issues and prepare a report for the Appointing Authority. Failure to investigate questions surrounding the use of sick leave will result in discipline for the Supervisor.
- P. Employees failing to comply with sick leave rules and regulations shall not be paid.
- Q. Sick leave/late arrival notification policy:
 - 1. The supervisor will be solely responsible for uniform enforcement of this policy and for determining when absence is excessive or indicates a pattern. The supervisor will be responsible for approving or rejecting payment of sick leave.
 - 2. An investigation by the supervisor may be conducted when five (5) separate occasions are exceeded annually.
 - 3. The supervisor will be solely responsible - after consultation with the County Personnel Office - for initiation of disciplinary action.
 - 4. The supervisor will be subject to disciplinary action for failure to enforce the policy fairly and uniformly.
 - 5. In order to receive pay for a sick leave day, the employee must call their supervisor during the first hour after their normal workday begins. Each full-time and part-time employee shall be granted three days of bereavement leave with pay upon the death of a member of the employee's immediate family. Employees shall be paid compensation equal to the base rate of pay. Part-time employees shall be granted leave based upon the number of hours they would have normally worked.

- B. Any compensation received from the court must be paid to the County unless all duty is performed outside regular work hours.
- C. An employee who must appear in court on his/her own behalf may use personal days, vacation or may request an unpaid Leave of Absence.
- D. An employee released from jury duty before the end of his/her scheduled workday must report to work for the remaining hours.

MILITARY LEAVE POLICY

Ohio National Guard, Defense Corps, Naval Militia and all U.S. Armed Forces reserve component members are authorized up to thirty-one (31) days paid leave or a maximum of one hundred seventy-six (176) hours per calendar year for training purposes. The employee must submit a copy of the Active Duty for Training Orders with the request for leave and complete the required leave papers. This Section applies to full time permanent employees.

A. Eligibility and Rights

Permanent public employees who are members of the Ohio organized militia or members of other reserve components of the armed forces of the United States are entitled to a leave of absence with pay for the time they are performing services in the uniformed services for a period of up to one (1) month (22 eight (8) hour work days or 176 hours) for each calendar year in which they are performing service in the uniformed service.

In addition to the previous entitlement, employees who are called or ordered to the uniform services for longer than one (1) month will be entitled, for the period of leave in excess of 1 month, to the lesser of:

1. Five Hundred Dollars (\$500.00); or,
2. The difference between their gross monthly wage as a permanent public employee and the sum of the employee's gross uniformed pay and allowances received that month.

If the employee's gross uniformed pay and allowances received that month is greater than the employee's gross monthly wage as a permanent employee, the employee shall not receive any payment.

The permanent public employee must present the published order authorizing the call or order to the uniformed services or a written statement from the appropriate military commander authorizing the service as soon as practicable.

B. Healthcare Continuation

The employee, spouse, or dependent of the employee shall have the right to continuation or reactivation of health care coverage for the duration of the leave of absence.

If the employee, spouse, or dependent of the employee requests continuation or reactivation of the coverage, the employee, spouse, or dependent of the employee, as well as the County, will be liable for payment of the same costs for the coverage as if the employee was not on a leave of absence.

MEDICAL LEAVES OF ABSENCE

A. Eligibility

In general, employees who have at least one (1) year of continuous service and who have accumulated at least 1,250 hours of service during the twelve (12) month period immediately preceding the date of the request are eligible for medical leave for serious health conditions.

B. Leave

1. Amount: Eligible employees may take 12 weeks of medical leave per 12 month period measured backward from the date the leave is taken and continuous with each additional leave day taken.
2. Request: Employees should request medical leave as far in advance as possible of the requested commencement of such leave, preferably at least 30 days in advance.
3. Additional leave: In general, unpaid leaves of absence for medical reasons (including pregnancy) for a period of up to twelve months may be requested by employees. This period represents the twelve weeks mandated by the Family and Medical Leave Act of 1993 plus additional time afforded as a benefit to our employees. However, the County reserves the right to deny an unpaid leave of absence in excess of the twelve weeks mandated by the Family and Medical Leave Act of 1993 and disability separate an employee pursuant to the provisions in the Ohio Administrative Code Chapter 123:1-33-01 et seq. and any amendments thereto.

C. Medical Certification

1. Initial request: All medical leave requests must be accompanied by appropriate medical certification from treating health care providers indicating: (1) the conditions necessitating the requested leave; (2) the date the conditions began; (3) the probable duration of the conditions; (4) diagnosis of the conditions; (5) a brief statement of required treatment; (6) a statement, if appropriate, that the employee is unable to perform the functions of his/her position; and (7) the projected date of the employee's return to work. The employee may also be required to provide the County access to medical records and/or to obtain the opinion of a second health care provider designated or approved by the County.

An employee who fails to provide required medical documentation in connection with medical leave in a timely manner will be denied leave until required certification is provided, or, in emergency situations involving serious health conditions, will be denied continuation of leave.

2. Recertification: If a leave request is granted, the employee is required to provide the County with additional physician statements of health, indicating: (1) current medical status; (2) probable duration of the conditions; (3) if appropriate, continued inability to perform job functions; and (4) projected date of return to work, at least once every thirty (30) days throughout the period of leave unless the minimum duration of the period of incapacity specified on the certification initially furnished by the physician is more than thirty (30) days, or the leave will be taken on an intermittent or reduced schedule basis, in which case the first certification will not be required until the minimum duration or period specified on the original certification has passed. Recertification must be presented within fifteen (15) calendar days after such is due. Additional physician statements will be required to be produced immediately by an employee for extension of leave, when circumstances described in the original certification have changed

significantly, and when the County doubts the continuing validity of the certification. Failure to provide any requested medical certification to support leave will lead to appropriate discipline, up to and including possible termination

D. Substitution of paid leave

For an employee requesting medical leave, the County will require substitution of earned paid leave for all or part of the medical leave except that forty hours of sick/vacation may be retained for the employee's return to work. The County will notify an employee at the outset of the leave if it will require use of accrued paid leave for requested medical leave. Absent the necessity of verifying the need for medical leave, medical certification is not required if you will be using accrued paid leave for which doctors' statements are normally not required for your requested leave (i.e. vacation), unless the leave period will extend beyond the period for which you will be using your accrued paid leave.

E. Intermittent Leave/Reduced Schedule Leave

A leave-eligible employee is entitled to leave for personal serious health conditions on an "intermittent" basis or on a reduced schedule. However, the County may require an employee requesting intermittent or reduced schedule leave to transfer temporarily to an available alternative position of equal pay and benefits which better accommodates recurring periods of leave. Besides the other information required stated above, medical certification to support a request for leave to be taken intermittently or on a scheduled basis must also include certification indicating (1) the medical need for leave on the basis requested, and (2) the expected duration and schedule of intermittent or reduced scheduled leave.

F. Key Employee

Certain highly compensated salaried employees ("key employees") may be denied reinstatement from medical leave if such would cause substantial and grievous economic injury to the operations of the County. At or about the time of request for leave, an employee shall be notified by the County if he/she is deemed a "key employee" and thus subject to possible denial of reinstatement. A "key employee" will receive notice if the County determines that he/she will not be reinstated upon completion of the leave.

G. Benefit Continuation

During medical leave, an employee will continue to be provided with health insurance coverage at the County's expense on the same terms and conditions as active employees, provided that the employee makes any required insurance contributions on a timely basis. These contributions for continued coverage are due the first of every month. In the event that an employee's contribution payment is more than thirty (30) days late, the County may discontinue health insurance coverage and/or other benefits for which employee contributions are required for the leave period. The County will notify an employee in writing that it did not receive premium payments and will wait fifteen (15) days before canceling coverage.

If an employee returns from medical leave, the County will deduct and/or withhold from his/her next regular paycheck an amount, if any, equivalent to the required employee contributions to health insurance coverage for the leave period which was paid by the County but which should have been paid on a timely basis by the employee during the leave period. The County will also deduct and/or withhold from such paycheck an amount equivalent to required employee contributions or premiums for continuation of any benefits (i.e., life insurance, disability insurance, etc.) during the leave period which were paid by the County.

H. Return to Work

1. If an employee, who is on leave because of a serious medical condition, returns to work on or before the expiration of the twelve (12) week FMLA entitlement per year, he/she shall be returned to either the same position of employment held when the leave commenced or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment. Where the leave is not because of a serious medical condition or is beyond FMLA entitlement, the County endeavors to place employees returning from leave in their former position or in an equivalent position upon return.
2. If an employee fails to return from medical leave within the appropriate period, the County will require repayment of County-paid health insurance premiums paid for during the unpaid leave period, unless the failure to return is due to continuation, reoccurrence or onset of a serious health condition or because of circumstances beyond the employee's control. In all instances, the County will require repayment of any employee contributions and/or premiums for health insurance coverage and for any other benefits which were paid by the County for such period and which should have been paid by the employee.
3. Before being permitted to return to work from medical leave, an employee is required to present to the County a medical certificate from his/her treating physician indicating any restrictions on his/her ability to perform the essential functions of the job to which he/she is returning. The County may also require a physical examination at his expense if necessary to determine fitness for duty.

I. Miscellaneous

1. Any employee absent from the workplace on medical leave shall remain on the rolls of the County's employees for a period of up to twelve (12) weeks from the date of the commencement of such leave. After twelve (12) weeks, such employee shall cease to be employed by the County's Office and will be afforded the opportunity to continue health insurance coverage at the employee's sole expense, consistent with any benefit continuation rights he or she may have under applicable state law and/or the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"). However, in appropriate circumstances, the County reserves the right to disability separate an employee pursuant to the provisions in the Ohio Administrative Code Chapter 123:1-33-01 et seq. and any amendments thereto.
2. Medical leave for serious health conditions will be counted against an employee's entitlement, if any, twelve (12) work weeks per year of leave under the Family and Medical Leave Act of 1993.

An employee on a medical leave of absence is prohibited from working during the period of leave permitted under this policy. Violation of this provision of the policy will result in termination from employment.

FAMILY LEAVES OF ABSENCE

A. Eligibility

1. Employees who have been employed by Mahoning County or any agency of Mahoning County for at least twelve (12) months and who have accumulated at least 1,250 hours of service during the twelve month period prior to the requested leave date are entitled to twelve (12) work weeks of unpaid leave for the following:
 - a. Because of the birth of a son or daughter of the employee and in order to care for such son or daughter; or
 - b. Because of the placement of a son or daughter with the employee for adoption or foster care; or
 - c. In order to care for the spouse, or a son, daughter or parent of the employee if such spouse, son, daughter or parent has a serious health condition.
2. Leave may be taken to care for a newborn or for placement of a child only within twelve (12) months of the birth or placement. Additionally, an employee with a serious health condition that makes him/her unable to perform the functions of his/her job is entitled to leave under the County's medical leave policy.

B. Leave

1. Amount: An eligible employee shall be entitled to a total of twelve (12) work weeks of combined family and medical leave for his/her own serious health conditions during any twelve (12) month period. Twelve month period is measured backward from the date the leave is taken and continuous with each additional leave day taken,
2. Request: Employees should request leave as far in advance of the requested date of commencement of leave as possible, preferably, at least thirty (30) days in advance.

C. Medical Certification

1. Initial request: If family leave is requested to care for the serious health condition of a spouse, son, daughter, or parent, such request must be accompanied by appropriate medical certification from treating health care providers indicating: (1) the conditions necessitating the requested leave; (2) the date the conditions began; (3) the probable duration of the conditions; (4) diagnosis of the conditions; (5) a brief statement of the required treatment; (6) a statement that the patient requires assistance for basic needs and/or that the employee's presence would be beneficial for the care of the family member; and (7) an estimate of the amount of time that the employee will be needed to care for the family member. The County may require that an employee obtain the opinion of a second health care provider as to the necessary care for a family member.
2. An employee who fails to provide required medical documentation in a timely manner in connection with leave to care for a seriously ill family member will be denied leave until required certification is provided or, in emergency situations, will be denied continuation of leave
3. Recertification: If family leave is granted to care for a serious ill family member, the employee is required to provide the County with additional physician statements of health, indicating: (1) current medical status; (2) probable duration of the conditions; and (3) an updated statement that the patient requires assistance of the employee at least once every thirty (30) days or more frequently if requested throughout the period of leave unless the minimum duration of the

period of incapacity specified on the certification initially furnished by the physician is more than thirty (30) days, or the leave will be taken on an intermittent or reduced schedule basis, in which cases the first recertification will not be required until the minimum duration or period specified on the original certification has passed. Recertification must be presented within fifteen (15) calendar days after such is due. Additional physician statements will be required to be produced immediately by an employee for extension of leave, when circumstances described in the original certification have changed significantly, and when the County doubts the continuing validity of the certification. Failure to provide any requested medical certification to support leave will lead to appropriate discipline up to and including possible termination.

D. Substitution of Paid Leave

For an employee requesting family leave, the County will require substitution of earned paid leave (i.e., vacation) for all or part of family leave except that forty hours of sick/vacation may be retained for the employee's return to work. The County will notify an employee at the outset of the leave it shall require the use of accrued paid leave for requested family leave. Absent the necessity of verifying need for leave due to a family member's serious health condition, medical certification is not required if you will be using accrued paid leave for which doctors' statements are normally not required for your requested leave (i.e., vacation), unless the leave period will extend beyond the period for which you will be using your accrued paid leave.

E. Intermittent Leave/Reduced Schedule Leave

A leave-eligible employee is entitled to leave to care for a spouse, son, daughter, or parent having a serious health condition on an interim basis or on a reduced leave schedule. However, the County may require an employee requesting intermittent or reduced schedule leave to transfer temporarily to an available alternative position of equivalent pay and benefits which better accommodates recurring periods of leave. Besides the other information required as stated above, medical certification to support a leave to be taken intermittently or on a reduced schedule basis must also include certification indicating: (1) the medical need for leave on the basis requested; (2) that such leave is necessary to care for or assist the family member; and (3) the expected duration and schedule of intermittent or reduced schedule leave.

F. Key Employee

Certain highly compensated salaried employees ("key employees") may be denied reinstatement from family leave if such would cause substantial and grievous economic injury to the operations of the Mahoning County. At or about the time of request for leave, an employee shall be notified by the County if he/she is deemed a "key employee" and thus subject to possible denial of reinstatement. A "key employee" will receive notice if the County determines that he/she will not be reinstated upon completion of the leave period.

G. Benefit Continuation

During family leave, an employee will continue to be provided with health insurance coverage at the County's expense on the same terms and conditions as active employees, provided that the employee makes any required insurance contributions on a timely basis. These contributions for continued coverage are due on the first of every month. In the event that an employee's contribution payment is more than thirty (30) days late, the County may discontinue health insurance coverage and/or any other benefits for which employee contributions are required. The County will notify an employee in

writing that it did not receive premium payments and will wait fifteen (15) days before canceling coverage.

H. Return to Work

1. When an employee returns to work from family leave, he/she will be returned to either the same position or to a position similar in status, benefits and pay. Upon return, the County will deduct and/or withhold from an employee's next regular paycheck an amount, if any, equivalent to the required employee contributions to health insurance coverage for the leave period which was paid by the County but which should have been paid on a timely basis by the employee during the leave period. The County will also deduct and/or withhold from such paycheck an amount equivalent to required employee contributions or premiums for continuation of any other benefits (i.e., life insurance, disability insurance, etc.) paid by the County during the leave period.
2. If an employee fails to return from family leave, the County will require repayment of County-paid health insurance premiums paid for the unpaid leave period, unless the failure to return is due to continuation, reoccurrence or onset of a family member's serious health condition or because of circumstances beyond the employee's control. In all instances, the County will require repayment of any employee contributions and/or premiums for health insurance coverage and for any other benefits which were paid by the County for such period and which should have been paid by the employee.

I. Miscellaneous

1. Any employee absent from the workplace on family leave shall remain on the rolls of the County through the authorized period of leave. After authorized leave has expired, unless "personal leave" has been afforded, an employee shall cease to be employed by Mahoning County and will be afforded the opportunity to continue health insurance coverage at the employee's sole expense, consistent with any benefit continuation rights provided by applicable state law and/or by the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA").
2. An employee on a family leave of absence is prohibited from working during the period of leave permitted under this policy. Violation of this provision of the policy will result in termination from employment.

All family leave taken will be counted against an employee's entitlement, if any, of twelve (12) work weeks per year of leave under the Family and Medical Leave Act of 1993.

LEAVE OF ABSENCE WITHOUT PAY

Nothing in this rule shall be construed as limiting, superseding, or requiring any leave granted under The Family and Medical Leave Act of 1993 (FMLA). Given proper notice and under appropriate circumstances, a leave of absence for a FMLA qualifying purpose may be credited against an employee's FMLA leave entitlement.

- A. An appointing authority may grant a leave of absence without pay to an employee in the classified service. An employee must request, in writing, all leaves of absence without pay. The request shall state reasons for taking leave of absence without pay and the dates for which such leave is being requested.
1. Length of leave: Upon written request a leave of absence without pay may be granted for any personal reason. Renewal or extension beyond the maximum allowed shall not be granted except as provided in the rule.
 2. Leaves of absence without pay for personal reasons may be granted for a maximum duration of six months.
 3. Abuse of leave: If it is found that a leave is not actually being used for the purpose for which it was granted, the appointing authority may cancel the leave and direct the employee to report for work by giving written notice via certified mail to the employee and the Central Personnel Department.

Failure to return: An employee who fails to return to duty within three working days of the completion or a valid cancellation of leave of absence without pay without explanation to the appointing authority or his representative, may be removed from the service in accordance with section 124.34 of the revised Code. An employee who fails to return to service from a leave of absence without pay and is subsequently removed or voluntarily resigns from the service is deemed to have a termination date corresponding to the starting date of the leave of absence without pay.
 5. Return to service: Upon completion of a leave absence without pay, the employee shall be returned to the same or similar position within the employee's former classification. If the employee's former classification no longer exists the employee shall, with approval of the director, be assigned to a position in a classification similar to that formerly occupied. The employee may be returned to active pay status prior to the originally scheduled expiration of the leave if both the employee and the appointing authority agree such earlier return to.
 6. Service Credit: Authorized leaves of absence without pay will count as service credit for annual step increases, layoff purposes, and for computing the amount of vacation leave, provided the employee is properly returned to service and is not serving a probationary period. Employees that do not return to service from a leave of absence without pay shall not receive service credit for the time spent of such leave for leave accrual. This paragraph does not apply to PERS service credit.
 7. Personnel Reporting leaves: The appointing authority shall report to the director any leave of absence without pay which extends for one pay period or longer, and the subsequent return from such a leave. Any leave of absence without pay shall be reported for an employee serving a probationary period.
 8. Probationary period of an employee on a leave of absence without pay. The period during which an employee is on a leave of absence without pay shall not be counted towards an employee's original or promotional probationary period.
- B. Leave of absence without pay may be granted to an unclassified employee in the same manner as it is granted to a classified employee.

- C. Disabling illness, injury or condition. Subject to the provisions contained in Chapter 123:1-33 of the Administrative Code, upon written request to the appropriate appointing authority, employees with a disabling illness, injury or condition who are not eligible to receive disability benefits may be granted a leave of absence without pay, subject to the provisions of this rule. The employee must demonstrate that the probable length of disability will not exceed six months.
1. Length of leave.
Leaves of absence without pay shall be limited to the period of time that the employee is unable to perform the essential job duties of the employee's position. This period may include reasonable rehabilitation and recovery time, as certified by a licensed practitioner, not to exceed six months. If the employee is unable to return to active work status within six months, the employee shall be given a disability separation in accordance with Chapter 123:1-33 of the Administrative Code and Chapter 5-disability separation of this manual.
 2. Licensed practitioner's certificate.
An employee requesting a leave of absence without pay due to a disabling illness, injury or condition must present, at the time the request is made, a licensed practitioner's certificate stating the probable period for which the employee will be unable to perform the essential job duties of the employee's positions.

EMPLOYEE ASSISTANCE PROGRAM – POLICY STATEMENT

Mental health, substance abuse, financial, family and legal issues can often cause problems for our employees in their day to day lives. Mahoning County believes if not addressed, these problems will manifest themselves in the employee's job performance. In an effort to assist the employees of Mahoning County to function more efficiently, effectively and safely, an employee assistance program has been established to aid in the early intervention and resolution of these problems. Mahoning County appointing authorities may contract with providers of the Employee Assistance Program (EAP) to provide assessment, short-term counseling and referral services to our employees. This service is offered as a benefit to the employees of Mahoning County and their families.

The policy for the use of this program:

1. All full-time employees and their family members at all levels of the agency may utilize the EAP services. Family members include spouses, children, stepchildren, parents and domestic partners, residing in the home. Family members may access the EAP services, independent of the employee.
2. Individuals may seek help for a variety of problems, including but no limited to: health, marital, family, financial, alcohol, drug, legal, emotional, stress or other personal concerns. These issues will be addressed through the review of personal data, short-term counseling and, when appropriate, referral to an outside resources.
3. EAP services are available in accordance with the providers' established office hours and by evening appointments to be scheduled.
4. Individuals may access the EAP services in one of three ways:
 - a. Self-referrals: initiated by the employee or family member, are voluntary and confidential.
 - b. Informal referrals: Initiated by the employee or supervisor at the onset of negative job performance issues. Follow-up information regarding the employee's compliance to the EAP's recommendations is not released.
 - c. Formal referrals: occur when significant job performance deterioration has occurred. The supervisor/manager initiates the referral and will only be notified if the employee keep the appointment and have the employee's compliance or non-compliance with the EAP's recommendations, providing written consent is received from the employee.
5. Mahoning County provides the assessment and short-term counseling (one to four sessions) as a benefit. Subsequent services may be covered by health benefits as explained in the employee benefits booklet. Services deemed non-eligible as identified by the insurance carrier would be based on the employee's ability to pay.
6. All records and discussions of personal problems will be handled in a confidential manner.
7. Records will be kept by the EAP or designated counseling resource and will not become a part of the employee's personnel file.
8. EAP policies and procedures complement but do not alter Mahoning County Agency's policies and disciplinary procedures.
9. The goal of the EAP is to reduce problems in the workforce and to retain valued employees; therefore utilizations of the EAP will not jeopardize an individual's job status.
10. The Human Resources Manager in your agency has been designated as the EAP contact person. He/she will serve as liaison between the EAP provider and Mahoning County.

11. Utilization of the EAP during normal hours of agency operation will necessitate the use of either an employee's sick time, vacation, personal time, or leave without pay. In cases of voluntary utilization, no reference of the EAP need appear on the Request for Leave form.

EMPLOYEE ASSISTANCE PROGRAM – PROCEDURES

It is recognized that a variety of personal problems can affect an individual employee. Among the most widespread personal problems that can impair an employee's everyday functioning are drug and alcohol abuse, emotional illness, family and marital problems, legal, and financial problems. In addition, it is recognized that personal problems if left unresolved may become chronic in nature, causing major impairment not only in the employee's personal life, but also major deterioration in the employee's performance at work.

In order to insure that any employee having a personal problem, which is causing any impairment at work or at home, will receive careful consideration and an offer of confidential, professional assistance, employees are provided the Employee Assistance Program (EAP), a cooperative effort between labor and management.

The program insures that any employee having a personal problem will receive consideration and professional assistance similar to that presently extended to employees having other health problems. Procedures are designed to facilitate supervisory, union, and self-referrals to the Employee Assistance Program.

The confidential nature of referrals will be carefully preserved.

The decision to request or accept assistance through the Employee Assistance Program is the personal choice of the individual. Employee or family members seeking assistance will be able to do so with complete anonymity. If employees or family members, (i.e. employees and their dependents as claimed for medical insurance purposes) have personal problems that can benefit from assistance, they are encouraged to use the EAP.

Supervisors at all levels of management and union representatives are responsible for offering the Employee Assistance Program when there is an indication of a personal problem. If an employee is referred and refuses, such refusal will be documented. Supervisors and union representatives will not attempt to diagnose the problem but will evaluate the employee's performance on the job and make a referral to the EAP based solely on the employee's job performance.

Participation in the Employee Assistance Program in no way relieves the employee of the responsibility to meet acceptable work performance and attendance standards.

This program in no way supersedes the agency's right to discipline, invoke disciplinary actions and suspend or discharge employees for misconduct, nor does this policy supersede the union's right to uphold the due process rights of its' union members.

Eligible employees undergoing treatment pursuant to this policy will receive Sick Leave and benefits and salary continuation benefits when applicable. Proper medical certification is required in accordance with the guidelines governing the application of these benefits. Expenses incurred for diagnosis and treatment will be reimbursed in accordance with the same benefits and insurance coverage that are provided under the employee benefit package. However, the Employee Assistance Program coordinator will refer the employee to services in the community that are free or on a sliding fee scale based on the individual's income.

Printed material explaining referral procedures and services will be provided to employees.

CHAPTER 6

6.1

PERFORMANCE APPRAISALS

The performance appraisal (evaluation) is a written evaluation of the employee's job performance. It includes the supervisor's numerical rating, comments, and recommendations. It may also include a statement of performance goals for the next evaluation period.

The performance appraisal is intended to be a system of communication between the supervisor and employee. While the performance appraisal provides for a systematic, periodic evaluation of the work of each employee, it is not intended to replace less formal ongoing discussions between the supervisor and the employee concerning the employee's job performance. Information derived from the performance appraisals may be considered when making decisions affecting an employee including promotions, transfers or continued employment.

The immediate supervisor rates each employee. If an employee has been reassigned to a new supervisor within six months of the rating date, the present and previous supervisor will cooperate in the performance appraisal process. If an employee receives approximately equal supervision from two persons, the supervisors will cooperate in completing the performance appraisal and both will sign the performance appraisal as raters.

The department head, as the reviewer, will then be given the appraisal for review, comment, and signature. The supervisor will then meet with the employee for the purpose of reviewing the performance appraisal.

After discussing the performance appraisal with the employee, the supervisor will obtain the employee's signature on the appraisal form. The employee will be given an opportunity to make written comments regarding the evaluation prior to signing the appraisal form if the comments are made prior to a deadline established by the supervisor. A copy of the appraisal will be provided to the employee by the supervisor.

The performance appraisal shall then be submitted to the County Personnel Department by the supervisor for the Director's signature. If the Director makes any written comments on the appraisal form the employee will then be provided with a second copy.

There are three (3) different types of performance appraisals:

1. Probationary – To be completed upon completion of the employee's probationary period.
2. Special – To be completed by the supervisor as recognition of outstanding performance or to convey to the employee improvement in previously unacceptable performance.
3. Annual – To be completed on all Agency employees annually and as follows: If an employee is absent from work for an extended period of time; and, due to the absence, the supervisor is unable to review the form with the employee, the form will be completed and held for the employee to review upon the employee's return to work. Performance appraisals are retained as a permanent part of the employee's personnel file.

- E. The application must be completed and returned to the Human Resources Director at least three (3) weeks prior to the date when the course(s) begin.
- F. The employee will receive a response from the Human Resources Director within one (1) week of submitting the application.

- G. The Appointing Authority or the Department Director will then encumber the appropriate funds.

CHAPTER 8
Section 8.1

ATTENDANCE

A. Absence Reporting

1. When an employee is unable to report to work, he/she must notify his/her immediate supervisor, or another designated person, within one half (1/2) hour of the start of his/her scheduled working hours on the first day of absence and each day thereafter, unless emergency conditions make it impossible or prior arrangements have been made with the Supervisor.
2. On the day the employee returns to work after an absence, he/she must report to his/her supervisor and complete an employee absence form. The supervisor to determine if the employee's absence can be approved will review the form, and any accompanying documents.

B. Frequency Of Absences

1. Regular attendance is expected of all employees;
2. A pattern of absences or frequent absences that affect the County's ability to provide services will result in disciplinary action.
3. An employee who develops a pattern of absences, tardiness or leaving work early will have his/her absences reviewed for possible abuse of sick leave or the attendance policy.

C. Tardiness/Early Departure

1. Employees are expected to arrive at work promptly and remain at work until the end of the scheduled workday.
2. Tardiness/early departure is defined as late arrival at the employee's work location, early departure or overstaying scheduled meal periods. An employee who will be late reporting to work must call the supervisor within one-half (1/2) hour of his/her scheduled time.
3. His/her supervisor must authorize any deviation from an employee's work schedule in advance as noted on the weekly time sheet.
4. Excessive tardiness is grounds for disciplinary action.

 - The fifth offense will result in another written warning with the employee being advised that the next offense will result in a suspension
 - The sixth offense will result in a suspension of four (4) or more days or removal at the Director's discretion.

The Director reserves the right in all cases to determine if disciplinary action is appropriate.

D. Weather Related And Emergency Closing

1. If the Governor declares a weather emergency, ~~or~~ the County Commissioners will compensate employees compensated for the time they were scheduled to work during the emergency period. Local media will be contacted to announce any official closings.
2. Employees not scheduled to work because of scheduled vacation or sick leave will be charged for the leave regardless of the declared emergency.
3. An employee who is absent, tardy or leaves work early on a day when weather conditions interfere with travel, but when no emergency has been declared by the State or County, is absent without leave and therefore in non-pay status. The employee may, with approval of the Appointing Authority, account for time during which he was absent from his job due to inclement weather by charging it to vacation, compensatory time or leave without pay. Inclement weather is not a valid use of sick time.

Records of verbal instruction/counseling will become inactive after twelve (12) months if there are no subsequent or related violations.
